Magistrates' Court of Victoria - List of External Mediators

Where the parties cannot agree on a mediator, the Magistrates' Court will select a mediator from this list and appoint the day of mediation. Mediation fees will apply.

Information about the mediators
Mediators are listed alphabetically and each mediator has been approved for inclusion on the Court' list based on their stated experience and expertise.

Preferred areas of practice may be wider than as stated in the list and further enquiries may be made with the mediator directly.
Regions provided are relevant for mediations to be conducted in person; mediations are frequently conducted online and thus mediators may be selected across all regions.
